

In case of any accident to the labour employed, the accepted tenderer should pay compensation to the injured as per rules, failing which, the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within six months with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reasons thereto.

The Income-tax Clearance Certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

The contractor will, as far as practicable, recruit the personnel required by him through the nearest Employment Exchange in the Region.
